Webelos Safari Overnighter Recap

“We went to the Academy of Natural Sciences for our own “*Night At The Museum.*” We completed 3 different badges. We had to identify 2 spiders, 3 snakes, and 3 poisonous plants. There was a place for “scoop the poop” and it smelled bad. They taught us a science class about balance and motion. Some scouts poured sand on us. We made a computer-animated video with the dinosaurs and they ate ██████’s head. We slept with dinosaurs and did a dinosaur dig. We were awakened in the middle of the night by kids with flashlights. And one of us puked in the van on the way home – can you guess who? It was a great trip!”

Cubmobile Races

According to ██████, this was an AWESOME event and the kids had a BLAST!! We could not have asked for a better weekend – weather-wise.

Tigers came in 2nd place.

Bears came in 1st place and another team came in 4th.

Webelos took 2nd place.

We lost the cup race by about a foot and a half. SO CLOSE!! Pack 59 ended up winning the cup (UNTIL NEXT YEAR!) ☺

Summer Resident Camp

For those families not sending their son(s) to Summer Resident Camp, please come out and support our Coke Wagon this weekend at the Sam’s Club in Whitehall. Hours are 11 AM to 7 PM.

Interested in Day Camp instead? The Day Camps are great for first-year Scouts who might be afraid to spend the entire week without Mom and Dad nearby. Please see ██████ for more details on Day Camps.

New Committee Chairperson

Please welcome our new Committee Chairperson, ██████. Thank you ██████ for volunteering for this very important position within our Pack!

Needed Positions

If there are any parents interested in becoming a **Committee Member**, please see ██████. There is nothing special about being a member, but you do have a voting voice when it comes to pack activities. The Pack Committee meets the first Tuesday of the month at 7:00 PM at Willow St.

*Looking Ahead to Summer Scouting
Activities*

Our annual Pack Picnic is planned for Thursday, July 26, to be held at the Orchard View Swim Club in Schnecksville. The Pack pays for the Hot Dogs, Hamburgers, and Drinks. Families bring a side dish or a dessert to share with everybody. There will be fun, food, fun, swimming, fun, games, and did I mention FU N? This is a great evening of summer time fun! Mark your calendars now!

Also planned is our annual "Inner Tubing on the Delaware River" trip.

A 1:00 PM launch time is set and the tubing trip takes about 3 hours to complete. After we get off the river, we all come back to our campsites where we make our supper and relax in The Great Outdoors and camp overnight. Even though it rained last year after we got off the river and as we were preparing our suppers, (and somebody lost a car cargo carrier along the way [not mentioning any names!!]), everyone still had a blast. This year's trip is planned for Saturday, August 4 to Sunday, August 5. We will be camping at Kittatinny Campgrounds this year rather than River Beach as in years past. Please sign up tonight if you are interested. A small deposit per person will be required at the May Pack Meeting. Total cost will be approximately \$25 / person.
