Looking Back...

Scouting For Food

A special **THANK YOU** to ██████████ for organizing this year's Scouting For Food campaign. Also Thank You to all the boys and parents who helped distribute the bags and pick up the food. With the Boy Scout's help, we collected over 2,300 lbs. of food!!!

If anybody would like to volunteer and help ██████████ with the Scouting for Food project and organizing the various routes and developments around the church area, please see ██████████ or ██████████.

Popcorn Sale

Thank you to ██████████ and ██████████ for helping to sort the popcorn for the various packs at the warehouse and for helping me to deliver it back to the church where we had to further sort it out into each individual's order.

Also thank you to ██████████, ██████████, and the ██████████ for helping sort that night as well. I always like it when there are no shortages/overages! :)

Please have the boys collect their prize on the way out the door tonight. I did not want to hand them out before then since they are most likely to play with them during the meeting.
